FETZER, Abraham* 13 Aug 1862

Private Fetzer was age 21 when he entered service. He died in February, 1863 on a hospital boat. No burial information is given in the Roll of Honor. Also has a card listing him in Co H, 114th OH. How is that possible? He is not in the Ohio Roster books in Co H 114th; but he is at Civil War Soldiers and Sailors listed Co H 114th OH Inf. Those transfers weren't made until 1864.

US Civil War Soldier Record at Ancestry.com gives date 15 Feb 1863 as mustering out date.

American Civil War Soldiers record at Ancestry.com says died of disease on 15 Feb 1863 on hospital boat.
