Not found yet on 1890 Veterans Schedule.

I have been unsuccessful in finding Charles in earlier census records. There is one with the right age, born in OH who is a soldier in the US Army in Santa Fe, Santa Fe Co, New Mexico in 1880 Census, Dwelling 611, Family 675. His parents were born in OH. He is single, age 35. But he has the middle initial E.

So what is with his age in the following census record and death record? We know that he could not have been born in those years. Because of the Pension card, we can tell that the 1910 Census is probably the correct man.

?????Dayton, OH, City Directory, 1880: Charles O LAURENCE, **millwright**, residence Canal 2d south of Water. page 576

Married Helena M. <1901> [first marriage]

Charles must have been lying about his age!
