Michael's mother in the 1870 census, Chippewa Twp, Wayne OH, page 75: Barbary Mooters, (60 Germany) is the head of household listed as keeping house. She had \$4000 in real estate, and \$500 in personal property. Living with her are George Mooters (27 OH) a farmer and Mary Mooters (23 OH).

Michael's mother in the 1880 census, Doylestown, Wayne county Ohio is still the head of household:

Barbara Muters age 70 born Germany...both her parents born in Germany. Living with her is son-in-law James Flickinger age 33 born OH, an iron moulder. Daughter Maggie Flickinger age 30 born OH...but her parents birthplaces are blank...; Two grandchildren are also listed: Charles Flickinger age 5 months born OH and Ada V. Harris age 9 born in OH. Both of Ada's parents were born in OH.

[A moulder was a person who shaped sand into which molten metal was poured in a foundry. Definition found in "A to Zax" by Barbara Jean Evans]

I think Barbara died in 1890. There is a Barbara Mutters buried at St Peter and Paul Cem, Doylestown, Wayne OH. The stone says she was 75 yrs old. Died 1 Apr 1890. This might explain why she does not appear on the 1890 Veterans Schedule in Chippewa, Wayne County.
