

Company I, 120th Ohio Volunteer Infantry

Corporal Morton was age 32 when he entered service. He was captured 3 May 1864 near Snaggy Point on the Red River, Louisiana; discharged 25 Sept 1864 at Columbus, Ohio on a Surgeon's certificate of disability.

Pension: John H. MORTON, I 120th OH Inf. Invalid filed 1864 Oct 1, Application 52309, Certificate 44077.

Widow Louisa J. MORTON applied for pension 10 Nov 1908, Application 907642, Certificate 670045, filed in OH. Pension Card: John died 1908.

Included in pension papers for William RICHEY [See his pdf file] of this same company, was a letter of testimony for Richey written by J. H. MORTON of Galion, Crawford Co OH. Dated 2 July 1886.

Mr. W. F. RICHIE was a comrade in the 120 Reg. Co I, the same that I was in and we were intimate friends.

He was then a stout hearty young man and seemed to be in perfect health and a good soldier and he is as worthy of a pension as I am or any other soldier. And if he don't get it soon it will never do him any good. He is unable to do anything and [has] a large family of small children. But to the evidence you are after covers much time and space. I kept a diary from Aug 1862 to May 1864 up to the time I was wounded and I shall make the statement as short as possible. While we lay at Chickasaw Bluffs in 1862 he was afflicted with yellow jaundice and diarrhea. And he would never report [sick] as long as he could get around and by not reporting [he] was on duty when called. Then at Arkansas Post Jan 1863 did not report and was in the fight when I knew he ought to of been in the hospital. And there he caught a bad cold that settled on his lungs.

But still kept in the ranks by not reporting until we were at Champion Hills he was absent from the ranks for a short time. He frequently reported for a few days at a time. Then we were sent to New River Landing and I remember his being brought in from picket insensible caused by a combination of the above named complaints which produced general debility. Then we was sent up Red River and about the first of May 1864 our Reg 120th OVI was all ?ent? to peaces [pieces] and our regimental papers were all destroyed by the enemy. I was ?and? crippled for life and from that time until the close of the war I have no personal knowledge of Mr. Richie. I signed a statement once before but did not realize what was required of me. I get to see him occasionally and in my judgment he is badly used up in the service of his country and he is legally entitled to a pension and if it ever does him any good it must come soon. I could say much more but time and space is to great for me to do more. Yours in spirit and truth, from J. H. Morton co I, 120th Reg OVI
